5<sup>th</sup> July 2024

Dear Parents/guardians,

What a lovely afternoon! Let's hope the sun stays out for the weekend and we can all get out and about!

If you have been around school at all this week, you will have noticed the hundreds of boxed and piles of 'stuff' everywhere. We apologise for this mess but we have started to pack and as you can imagine there is a lot to do. I am hoping that all of these boxes will fit in the new building!

### Parking

We have received an email from a neighbour regarding parking. In particular, the neighbour mentioned the fact that homemade leaflets were placed on his windscreen.

Please could I remind you to take every step you can to park responsibly and to speak respectfully to our neighbours. I understand that parking is difficult at the moment due to the building work and thank you for your patience.

### Open Day to say goodbye to our old buildings.

Please see the attached leaflet about our Open morning, everyone is welcome to come and take a last look around the school. If you know any past pupils, please let them know – we would love to see them!

### Outstanding children

Here is a photo of Jan from couple of days ago from the Lancashire County Club League final (Division 1), where Jan as a leader of The Northern Under 9 club team achieved runner-up 2nd place. Well done, Jan, a future Wimbledon star, I think!

Another superb achievement by the Carrolls!  
 On Saturday 22nd June, Olivia and Alastair travelled to Cardiff to compete in the Open Welsh Taekwon-Do Championship.  
 As always, they showed great focus, discipline and team spirit whilst having a great day.  
 Olivia won Bronze in Patterns plus Silver in both Sparring and Special Technique.  
 Alastair won Silver in Sparring plus Gold in Special Technique.  
 Amazing work, Olivia and Alastair!

Some of our Y5 boys play football for Urmston Town Gladiators. A few weeks ago, the boys won the spring cup! Congratulations– let's hope this is an omen for the England team!

The boys also received their end of year awards on Sunday. Kai got the players' player of the year award, Alfie got the parents' player of the year and Caolan got the managers' player of the year award. Well done, boys!

What talented children we have in our school family!
