26th April 2024

Dear Parents/guardians,

Another busy, productive week has passed and I am constantly amazed by the enthusiasm of our children. They have embraced our Eco Week and have shown a dedication to caring for our common home.

Eco Week

Thank you for supporting our school this week, it has been wonderful to see how the children have participated in our eco endeavours. Our paper recycling collections are going well, the Laudato Si group have come back from their visit to Wardley Hall, Laudato Si centre, full of super ideas and today we were blown away with the donations that have been sent into school. We shall be busy planning where we are going to do our planting!

St. George's Day

St. George's Day was celebrated this week by the children wearing something red and completing activities in their class. Mrs Legg made sure dinner time was special too!

Uniform

Thank you for your responses to the questionnaire regarding school uniform. We take all your views very seriously and appreciate you taking the time to complete the form. The responses were very varied but overwhelmingly positive towards the idea of a standard uniform, which unites us and identifies us as members of the St. Ann's family. We will not be changing to shirts and ties but will send a letter on Monday with a detailed breakdown of the uniform.

Mrs McGarry

We say goodbye to Mrs McGarry today as she leaves the St Ann's family for a new job. We would like to thank her for her hard work and wish her all the best in her new career. Mr King will continue to teach Class 8 until the end of the school year.

Phonics meeting

There is a meeting for Year 1 parents on Wednesday 1st May at 3pm. This will be held in the Infant Hall.

Dates for next week

<u>Week beg 29th April</u>
