19<sup>th</sup> April 2024

Dear Parents/guardians,

It's hard to believe that we are in Spring with this constant rain and wind, however, our children have carried on regardless! Some amazing learning has taken place this week and we look forward to our Eco Week next week.

#### Eco Week

Next week we have St. Ann's Eco Week. Mrs Espley has been working hard alongside the Laudato Si Leaders to organise a week of activities to promote caring for our common home. We hope the children will help to educate others whilst having fun themselves.

#### St George's Day

Next Tuesday, 23<sup>rd</sup> April, is St George's Day. To celebrate the children can come into school wearing a red accessory, such as a ribbon, badge, socks etc. Any children who are in Scouts, Brownies or any such group, may come to school wearing their uniform on that day. Throughout the day each class will do an activity relating to St George.

#### St Ann's goes Green

We invite the children to come into school **wearing something green alongside their uniform (socks/jumper/t-shirt/bow)** to show their support for the Laudato Si' values and we ask that they donate something to help us live the Laudato Si' values throughout school – this could be **seeds for planting, bird seeds, bird/insect boxes or a donation** to be used to purchase items to allow us to follow the Laudato Si' values in the new school and grounds.

#### Snacks

We would like to remind parents that we are a Healthy Eating School. We have noticed lots of children bringing in chocolates and crisps. Please be reminded that only healthy snacks should be brought into school. We also have some children with severe nut allergies, so please ensure your child does not bring anything that contains nuts. This includes school packed lunches and any after school snacks.

### Outstanding children

Olivia and Alastair's dad sent me an email saying...

'In March, Olivia passed her grading for Red Belt with means she's now two gradings away from becoming a Black Belt in TaeKwon-do.

Olivia has now joined the Trident Black Belt League which has a competition every month. On Monday 15th April, she competed in a Patterns competition and won.' Olivia's parents are so proud of her, as are all of her St. Ann's family! Well done, Olivia!

Adrian (class 6) took part in a Production about Jesus's Life and death in his Polish Church. He was the only person who performed the music accompaniment, and he was the youngest child there. Anna Maria (class 9) made and sold paper frogs to raise money for the church. Their parents are extremely proud of them. Well done both of you – you are definitely showing Love in Action.

### Dates for next week

<u>Week beg 22<sup>nd</sup> April</u>	<u>Eco Week</u>	
Monday 22 <sup>nd</sup> April	Earth Day – Meat Free Monday	
Tuesday 23 <sup>rd</sup> April	St George's Day Recycling Tuesday
