12<sup>th</sup> April 2024

Dear Parents,

I feel Spring is in the air! The lighter nights have already made a difference and watching the children playing out again after what seems a very long and wet Winter makes me feel, as I am sure you all do, invigorated.

We have been busy compiling the Dates for this Term which we hope will be distributed today.

### St Joseph's Penny

Thank you for your kind donations to this worthy cause. We will be banking this next week and will let you know our collection amount once this has been done.

### Eco Week

In the week commencing 22<sup>nd</sup> April we will be taking part in Eco Week. There will be lots of activities which we hope will make us all aware of what is important when it comes to protecting our planet. Further details to follow.

### ParentPay accounts

I would like to remind parents that it is extremely important to keep these accounts up to date. Over the next few weeks, statements and reminders will be sent to any relevant parents.

### Punctuality

Unfortunately, we are again seeing an increase in the number of children arriving late to school. This can be quite upsetting for the children when they have to walk into class when lessons have already started. May we ask parents to be mindful of the times and ensure children are in class before 9am. Classrooms are open from 8.45am until 9.00am so children can be settled into class before registration at 9.00am. Your support in this matter would be very much appreciated.

### Sacramental Programme

If your child is taking part in the Sacramental Programme, please note they will need to be at the Parish Centre on Saturday 13<sup>th</sup> April between 10.30am – 11.30am.

Emily & Orlaith Johnson, from Year 4 and nursery had a great time visiting Shakespeare's house during the holidays. It's great to see our children following up their learning outside of school. It is a great place to visit and imagine William Shakespeare actually living there.

Dates for next week

<u>Week beg 15<sup>th</sup> April</u>		
Monday 15 <sup>th</sup> April		
Tuesday 16 <sup>th</sup> April		
Wednesday 17 <sup>th</sup> April	Maths Booster lesson Y6 3:30pm - 4:15pm	
Thursday 18 <sup>th</sup> April		
Friday 19 <sup>th</sup> April	C8 Swimming	

Mrs M. Noctor  
Headteacher
