2nd February 2024

Dear parents/guardians,

What a busy time we have had this week and have lots planned again for next week, which is Children's Mental Health Week.

NSPCC Number Day

I would like to thank you all for your efforts with our Number Day. We have seen lots of very creative Number outfits! Thank you for your kind donations, when we have a final figure we will let you know. Your generosity always astounds us all.

Children's Mental Health Week

Next week we will be celebrating Children's Mental Health Week. A special own clothes day will take place on Tuesday 6th February where children can wear something that expresses their inner self. This could be a bright coloured T shirt / jumper to express their happy personality or a football kit as they want to express their wish to be a footballer for instance. The choice is theirs!
