30<sup>th</sup> September 2022

Dear parents/guardians,

I have to say how proud I am of our children this week. Their behaviour and attitudes have been outstanding.

We have had several exciting trips and experiences this week and the children have been fully engaged.

The Maths Adventure Days were a hive of excited problem solving, investigative children, who gained so much from the experience.

Class 3 held their Class Assembly and I was so proud to see how they looked after and encouraged each other.

Y6 had a trip to Thurstaston Beach to study Erosion and to get inspiration for their Art projects. I believe their behaviour was impeccable and their enthusiasm was catching!

On Thursday, Y5 walked all the way to Old Trafford Football Stadium, conducting a survey of the local area for their Geography topic. It was exhausting but they gained a lot of information and again did the school proud.

Well done to the children for their enthusiasm and hard work this week.

A special thank you to all the parents who gave up their time to accompany us and help, we really appreciate it!

### St Francis Day

Next Tuesday, 4<sup>th</sup> October, we will celebrate St Francis Day. All children, who are in this house, will come to school wearing an item of blue clothing (it doesn't have to be their school sweatshirt, but this could count). If you are unsure of which house your child is in, please contact their class teacher.

### Cost of Living Support

In the current climate, we realise that some people are experiencing hardship.

A new page on [Trafford Directory](#) has information on initiatives and services to help families deal with the current cost of living challenges.

Please use this link to access information

### KS1 Harvest

Y2 will be performing a Harvest Celebration in the Infant Hall on Thursday 20<sup>th</sup> October at 9:15am. We would love to invite the Y2 parents to attend.
