23<sup>rd</sup> September 2022

Dear parents/guardians,

What a busy week we have had! I am incredibly proud of the children who have put on delivered assemblies this week – well done Class 3 and Class 12! I am also extremely proud of the Year 3 and Year 4 children who performed for parents on Thursday.

It was a joy to be able to share these with the parents of the children, a lot of the children were very nervous about performing, but overcame their nerves and did us all proud. Well done to the children, their teachers and of course Mrs Lucas!

A special thank you to the parents who were able to come and support us, we appreciate how hard it can be to arrange time to come in to school.

#### Homework update

We are currently reviewing our Homework Policy and this will be placed on the website after it has been passed by The Governing Body. I will send home information regarding the findings of the Parental survey and any changes that will be made to the Policy before half term. Until then, Homework will continue as usual.

Reading will continue to be an important part of any child's homework and we ask that you try to hear your child read for a few minutes each evening. If you require any help or advice concerning reading, please contact the school office.

#### P.E. Kits

Please could you ensure that your child brings in the school uniform P.E. kit on their P.E. days. This is a blue school T-Shirt and a plain white pair of shorts. If you are experiencing difficulty obtaining these items, please ensure your child wears a plain blue T shirt and white shorts until the shop stocks return to normal level.

Thank you for your continued support,

Mrs Noctor
