13th June 2025

Dear Parents/guardians,

Welcome back!

I hope you have all had a lovely break and are ready for our last half term of this school year. What a busy half term we have ahead of us!

Anti Racism

At St Ann's, we are proud to be a Catholic school rooted in the values of love, respect, and service for all. As part of our commitment to ensuring every child feels safe, valued, and included, we are delivering a focused anti-racism PSHE programme over the coming half term. Through age-appropriate lessons and discussions, we will help our pupils understand the importance of equality, challenge discrimination, and celebrate diversity. Racism has no place in our community, and we are dedicated to nurturing a culture of compassion, justice, and unity. If your child comes home and talks about any of the content discussed in these lessons, we ask that you continue to support them in reinforcing these important messages.

Y2 trip to Nebula Centre

Year 2 had a fantastic day at the Nebula Centre exploring the natural environment, taking part in creative activities and learning new skills such as whittling and axe chopping!

The teachers were so proud of the way the children worked together building dens, climbing trees and creating clay models. They certainly deserved the treat of toasting marshmallows around the campfire to end the day!

Thank you so much to all of the parent helpers who helped out and got stuck into all the activities as enthusiastically as the children!

DfE assessments

The children in Year 1 have been completing the Phonics Screening Check this week while the Year 4 children have completed the Multiplication Check. Well done to all of the children who have worked hard and completed the assessments.

News from home

I was very shocked to see this photo of Ruby-Raynes (Rec 1) bravely holding a HUGE spider crab! Ruby-Raynes had caught the crab when on holiday - Well done, next time you may need a bigger bucket!
