20<sup>th</sup> June 2025

Dear Parents/Guardians,

It has been a lovely week in school. Although temperatures outside have been increasing, we are fortunate that our new school building helps the children to stay cool!

In school this week, we have been very fortunate to welcome so many families to our school in the welcome meeting for EYFS parents. It's lovely to meet new families as well as seeing our existing families bringing their next child to our school.

### Year 4 trip

The Year 4 children had a fantastic day at Martin Mere on Thursday. They had a go at pond dipping as well as learning about the water cycle and the impact of building affect our environment.

### Reception Assembly

Today we were treated to a very special assembly led by our Reception children. They have been working hard throughout the week to practise their lines and did a fantastic performance for their parents and families - well done to all of the children and teachers involved.

### News from home:

We wanted to share the success and how proud we are of Joia, Cameron and Poppy-Sue. On Sunday their street dance team took part in a UK Championships in Blackpool (after winning a regional event and qualifying). They won the Under 12 Intermediate category to become UK Champions and in addition they were the highest scoring Intermediate Team of

the day across all age categories meaning they also won the Champs of Champs title. We are so proud of all their continued hard work, dedication and teamwork!

Fundraising

Joia, Nia and Caragh (Year 5) are selling loom band bracelets for Cancer Research next week. Please bring loose change and they'll come around during the day!
