Pilgrim of Hope

This week, we were honoured to receive the Anchor – a symbol of Hope across the Salford Diocese.

On Monday, children from St. John's Primary School brought the anchor to us, along with a very long chain of prayers representing the journey it has taken so far.

On Tuesday, our children gathered in prayer to reflect on the importance of Hope and how each of us can play a part in bringing about a better future for everyone.

Later, Ria (Year 4) used her creative talents to add our own link to the paper prayer chain. Finally, Sonny (Year 6), Tabitha (Year 6), and Eisa (Year 5) proudly carried the anchor to St. Anthony's Catholic College, continuing its journey of faith and hope.

Art Exhibition – what a fantastic event!

Once again, all of the children did themselves proud with the artwork they produced. It was lovely to see all the masterpieces, and we hope you enjoyed the evening as much as we did.

Thank you to all those parents who were able to attend.

Artwork is still available to buy up until Friday 28th November at a cost of £10. Payment can be made via ParentPay.

Purchased artwork will be sent home week commencing Monday 1st December.

Class 9 Assembly

Thank you to Mr Niland for the lovely assembly today. The children shared beautifully the importance of St. Martin de Porres, one of our four saints chosen to represent our school house point system. Well done to all the children involved.

Parking

We urgently ask for your support in keeping the roads around our school safe for everyone. When parking, please:

- Avoid blocking driveways or footpaths
- Do not park on corners or near crossings
- Never double park or stop in the middle of the road

Unsafe parking can put children, families, and other road users at risk . Please help to protect our community and be respectful to our neighbours to ensure a safer environment for all.

Cross country

On Saturday we saw the second cross country event take place. We were represented so well by our Year 5's and 6's! In our Year 6 girls race, we saw Tabitha come in 6th place and our team took a place on the podium. Our Year 5 girls also claimed second spot on the podium and Milika came in second overall. In the Year 5 boys race, Henry came in third place and the team secured a podium spot. We are all incredibly proud of all of our runners and we are eagerly anticipating the next meet! Well done everybody!
