

9th January 2026

Happy New Year!

We hope you have had a lovely Christmas and are well rested for the new year. It was so nice to see everyone when we returned to school on Tuesday.

Epiphany Mass

The theme of our Mass today was The Feast of the Epiphany. Thank you to the readers and musicians who made it so special.

Celebration assemblies

This week, we launched our Celebration Assemblies in school. These assemblies give children in each key phase the opportunity to come together and recognise the wonderful achievements and talents of our pupils. We will be celebrating successes from school and from home.

The assemblies will take place every Friday, and children are welcome to bring in any recent medals, certificates, or trophies so that we can celebrate these accomplishments together.

Sacramental Programme

The next meeting for the children on the Sacramental Programme will take place in the parish centre on Sunday 11th January after 9.30am Mass.

Cold weather forecast

As the weather forecast predicts very cold conditions over the coming days, we want to ensure our pupils stay warm and comfortable in school.

Whenever possible, we encourage the children to go outside to play, as fresh air and outdoor time are an important part of their day. To help them enjoy this safely, please make sure your child brings a warm coat with a hood to school every day.

Thank you for your support.

Don't forget - Follow us!

We're excited to share that our school now has a new Facebook page and also an Instagram pages!

Follow us to keep up to date with news, events, and celebrations from our school community.
