6<sup>th</sup> February 2026

Here are the exciting things to report from this week:

### Class 5 Assembly

The children delivered a truly lovely assembly focused on the Catholic Social Teaching principle of the preferential option for the poor. They spoke about the importance of recognising the needs of the most vulnerable in our society and ways we can all show compassion and support to those who may be struggling. Thank you Class 5.

### Number Day

We had a wonderful time celebrating Number Day in school! The children fully embraced the spirit of the day, coming in dressed up in fantastic number-themed outfits. The children took part in a range of fun, practical maths activities designed to build confidence, problem-solving skills, and a genuine enjoyment of numbers. It was fantastic to see so much enthusiasm and creativity across the school. Thank

you for your support and your generous donations, which have helped us to raise money for the NSPCC. We will let you know when we have a final figure.

### St. Ann's Got Talent!

Over the last couple of weeks, our school councillors have generously given up their lunchtimes to put our talent show acts through their paces. All their hard work culminates this Wednesday, when we will be holding the Talent Show Final for 2026. This is always a highlight of our school calendar, and both children and staff are excited to see the wonderful variety of acts performing this year.

Thank you to all parents who have supported their children throughout the process. I look forward to sharing the news of our overall winner with you next Friday.

#### Year 6 Young Voices – check RG

What an incredible night! The children and staff thoroughly enjoyed themselves at the Co-op Arena last night. It was a late one — we didn't return to school until after 10pm — but it was absolutely worthwhile. The children had the amazing opportunity to join thousands of pupils from local schools, forming a choir of over 8,000 voices. It was a truly unforgettable experience for everyone involved!

#### Safeguarding Newsletter

This month's Safeguarding Newsletter includes information about Mental Health Awareness Week and Safer Internet Day. Please take a moment to read through it, as it contains important and useful information.

#### Internet Safety

On Tuesday 10th February, we will be supporting Internet Safety Day. This year's theme is *Exploring the Safe and Responsible Use of AI*. Children in Key Stage One and Key Stage Two will take part in classroom discussions and activities to help them learn about using AI safely and responsibly.

#### Sacramental Program

The next meeting for children who are on the Sacramental programme will take place on Sunday 7th February after 9.30am Mass at St. Ann's Church. The session will help the children to prepare for the Sacrament of reconciliation which is taking place on Sunday 22nd Feb at 3pm in church.

**Don't forget - Follow us!**

We're excited to share that our school now has a new Facebook page and also an Instagram pages!

Follow us to keep up to date with news, events, and celebrations from our school community.
