2<sup>nd</sup> April 2026

Dear Parents,

What a week! It has been lovely to have so many celebrations and activities take place throughout the school. Thank you for your support - it would not have happened without you!

### Stations of the Cross

The week started with a fantastic performance from the children in Year 5. They re-enacted the Stations of the Cross beautifully, showing maturity, deep understanding, and reverence.

### Easter Bonnet Parade

Tuesday marked our very first Easter Bonnet Parade, and what a truly memorable experience it was! It was wonderful to see all of the beautiful creations that families worked so hard to make. We finished off the day with our annual Easter Egg Exhibition. Once again, the imagination of our families is second to none! Thank you!

### Easter Raffle

The long-awaited Easter raffle draw took place yesterday. This has been a really exciting fundraiser that has spread throughout the school. The raffles were drawn during the

Celebration Assemblies, and I can now reveal the proud winners were:

Oisin (N), Jouri (R1), Sofonias (R2), Meabh (R2), Maliq (C1), Finley (C2), Daniel (C2), Madeline (C3), Zofia (C4), Jase (C4), Oscar (C6), Vinny (C6), Lilly Mae (C7), Rose (C8), Kaiya (C10), Nahara (C10), Nia (C11), Sonny (C11) & Macie (C11)

We are currently counting the monies raised for the Easter Raffle and we will let you know how much you have all kindly donated to CAFOD.

### Bling Your Bike

Spring is a great time to get cycling or scooting to school! On 7th May from the end of school until 4pm, there will be a Bling Your Bike event in the playground, run by Trafford Community Collective. Bring your bike or scooter and decorate it for free with reflective spokies, stickers, ribbons and more. Grown-ups, you are very welcome to bring your bike too - there will be reflective patches and spokies to help make your journeys by bike safer!

The event will run for around half an hour after school for families, then once everyone has left pupils who are at after school club will have a chance to bring their bikes / scooters out and decorate them too!

### Important dates

As we approach the Summer Term, I would like to bring your attention to the different assessment tests that take place across the school. These are statutory assessments set by the government and help inform teachers about your child's progress and next steps in their learning.
