12th June 2026

Dear Parents,

News This Week

Welcome Back

It was lovely to see the children return to school on Monday. We are now in our final half term of the school year. Please keep an eye on upcoming dates to stay informed about everything we have planned.

Wear Yellow for Cystic Fibrosis

It has been wonderful to see so much yellow around school today as we raised awareness of cystic fibrosis. I would like to give special thanks to Oliver (Year 1), whose idea it was to organise this event across the school.

Oliver showed great confidence in leading the

event, speaking to a lot of classes about cystic fibrosis. It was truly uplifting to see one of our younger pupils present so confidently to others. Well done, Oliver!

We have raised an amazing £258.47. Thank you for

your generosity.

Book Bus

This was the first time we have welcomed a Book Bus to our school, and it has been a great success. It's incredible how many books can fit onto a bus! All children had the opportunity to visit and purchase books if they wished, and the event has helped raise valuable funds for the school.

Thank you for your support—encouraging a love of reading in our children is truly invaluable.

Phonics Screening and Multiplication Tables Check (MTC)

Children in Year 1, along with some in Year 2, completed their Phonics Screening Check this week. It has been fantastic to see the progress they have made in their reading.

Our Year 4 pupils also undertook an important assessment as they completed the Multiplication Tables Check. I have seen the effort they have put into practising their times tables, and I am sure they have done themselves proud.

Well done to everyone involved—keep up the great work!

Safeguarding Newsletter – June

This month's safeguarding newsletter highlights the importance of regular school attendance, as well as raising awareness of harmful sexual behaviour in children. Please refer to the full newsletter for further information and guidance.

Year 6 Snow Park Trip

Year 6 had an exciting visit to the Manchester Snow Centre earlier this week. They thoroughly enjoyed exploring the snow park and racing down the slides, with even the teachers joining in the fun! The staff at the centre were very impressed by the children's behaviour—well done to everyone involved. They were fantastic representatives of the school!

Gaelic Football Tournament

We are currently awaiting the results of a Gaelic football tournament involving some of

our older pupils. Early reports from the event have been very positive, with excellent behaviour and strong representation of the school. They played amazing and won two and lost one!

Although it started as a wet morning, we're pleased to hear that the weather has improved and spirits remain high!

Don't forget - Follow us!

We're excited to share that our school now has a new Facebook page and also an Instagram pages!

Follow us to keep up to date with news, events, and celebrations from our school community.
