Year 2 Visit to the Nebula Centre

Year 2 had a fantastic time on their recent trip to the Nebula Centre, where they took part in a range of exciting outdoor activities. A particular highlight was working together to build dens in the forest, demonstrating excellent teamwork and creativity.

The children also enjoyed hands-on experiences such as carefully chopping wood with an axe and whittling sticks, which they approached with great focus and enthusiasm under close supervision.

Toasting marshmallows around the fire was a definite favourite, with plenty of smiles (and sticky fingers!) all round. It was lovely to see the children playing so happily and imaginatively in the woodland setting, truly making the most of this memorable day.

Year 6 Beach Trip

What a fantastic day our Year 6 children had during their visit to Thurstaston Beach! We were incredibly lucky with the warm weather, which made it the perfect day to enjoy the outdoors together.

The children thoroughly enjoyed exploring the beach—searching for shells, digging in the sand, and even burying one another's legs! Many also took part in sports including football, cricket and tennis, while others expressed their creativity through beautiful sand art and impressive sculptures.

It was wonderful to see so much laughter and joy as the children spent time together

making lasting memories ahead of their move on from St Ann's. They were impeccably behaved throughout the day and showed great kindness and respect towards other visitors.

A huge thank you to all the staff and volunteers who helped make both of these trips such a success.

Year 1 Stay and Share

Thank you to all parents and carers who were able to join us for the Year 1 Stay and Share session on Tuesday. It was a wonderful opportunity for you to experience a snapshot of life in Year 1. We hope you enjoyed the session as much as we did!

Reception Welcome Meetings

This week marked the beginning of our transition events in school. We were delighted to welcome both families from our Nursery and those new to St Ann's to our Reception Welcome Meeting. We hope the session provided reassurance and helped you feel confident and prepared for the exciting journey ahead.

Jack MG Poetry Competition

Children in Key Stage Two have been taking part in the Jack MG Poetry Competition this week. They enjoyed an engaging online lesson delivered by Michael Rosen and have been inspired to write their own poems based on the theme: *"Joy is everywhere if you know where to look."*

We have already seen some fantastic work and are very much looking forward to reading the finished poems next week. A special thank you to Ajeet, Olivia, Maisie, and Tabatha from Year 6, who introduced the competition and shared the poem with the children.

The poems will be entered into a competition held in memory of a former St Ann's pupil who sadly passed away a few years ago.

The Bread and Butter Thing

The **Bread and Butter Thing** is a community food club that helps families access affordable, nutritious food each week. Members can purchase a range of fresh produce, cupboard staples, and household items at a significantly reduced cost, helping to stretch household budgets and supplement food at home. The service is open to **all** local families and provides a practical way to save money while ensuring access to good-quality food. Please use the link below to access more information.
