News This Week

It has been another busy and enjoyable week in school!

Year 6 Cinema Trip

On Tuesday, the Year 6 children visited the cinema to watch *Toy Story*. It was a wonderful opportunity for them to relax, enjoy time together and celebrate their final weeks in primary school.

Year 4 Visit to Martin Mere

Year 4 had a fantastic trip to Martin Mere Wetland Centre, where they enjoyed a fantastic day of indoor and outdoor learning despite the very warm weather. The children explored the wetlands and spotted a variety of wildlife, including ducks and flamingos. They took part in an engaging water cycle workshop, enjoyed pond dipping to discover tiny pond creatures, and had great fun playing in the park. Throughout the day, the children showed excellent enthusiasm, curiosity and behaviour, making the trip both enjoyable and educational for everyone.

Hot Weather Update

We have experienced some very hot weather this week, and the children have been absolutely wonderful in coping with the extreme temperatures. To keep everyone safe in the sun, we have made a few adjustments to the school day, including taking regular breaks and ensuring children remain well hydrated.

Thank you to all parents and carers for ensuring children come to school prepared with water bottles, hats, and sunscreen—your support makes a real difference.

While we are enjoying the sunshine, it is important that we continue to stay safe in the heat. Let's hope the sunny weather continues but perhaps just a little cooler!

Year 6 Residential

The school will be a little quieter next week as our Year 6 children head off on their residential trip. I am sure they will thoroughly enjoy the experience and create many lasting memories. A big thank you and good luck to the members of staff who have volunteered their time to make this trip possible—we hope you manage to get some sleep!

Family Mass

We hope that you will be joining us on Sunday at St. Ann's Church as the children from Year 4 will be leading the Mass. It starts at 9.30am, we look forward to seeing you there!

Nursery Concert

The children in Nursery are looking forward to showcasing their musical talents as we come together to listen to some of the songs they have been singing this year. Parents are welcome to join us in the classroom at 9.05am on Friday 3rd July for this short ensemble.

New Classes

On Monday we will send home a letter to parents informing you of your child's new class for September.

On the morning of Thursday 2nd July your child will visit their new classroom to meet their new teacher.

Don't forget - Follow us!

We're excited to share that our school now has a new Facebook page and also an Instagram pages!

Follow us to keep up to date with news, events, and celebrations from our school community.
